project

-QUALITY FOOD-

**If you have any allergy or intolerance to any food or food ingredient,
please consult our employees in order to advise you on the allergen substances in foods provided.**

Prices include all legal charges. Consumer is not obliged to pay if the notice of payment has not been received (receipt - invoice).

Consumer has the right to pay by credit or debit card.

We use extra virgin olive oil in salads & sunflower oil for frying. Feta cheese is P.D.O. from a local producer.

Meats & vegetables are fresh. *These products are frozen. The store has a complaint box in the entrance.

Responsible for the law: Demirtzoglou Konstantinos.

Greco's Project implements a Food Safety Management System

Turkey meatballs with fresh lean minced turkey meat. Served with grilled vegetables & fresh handmade fried potatoes	12,90

JOSPER OVEN

The Josper oven is a special type of oven that combines the functions of an oven with those of a grill.

This combination allows the Josper to maintain high temperatures and create a particularly intense smoky flavor in foods, making it ideal for preparing grilled dishes. Josper ovens offer exceptional taste quality in a variety of foods.
